### Request for Sewer Adjustment Agreement

Sewer adjustments are for those customers that obtain water service from the Town of Wolcott. I understand this adjustment:

1. is a one-time credit for a leak where the water did not enter the sewer system and/or once a year only for any other type of request, for any utility bill between January 1<sup>st</sup> and December 1<sup>st</sup> of the same year;
2. is for the sewer portion only, as I will be responsible for the cost of the water usage;
3. is based on my average usage of the previous year and as described in the Town of Wolcott's Sewer Adjustment Policy. If I do not have 12 months of prior usage, then I will not receive the adjustment until I have at least 3 months of history; and
4. may take up to 30 days to be reflected on my utility account.
